WHAT WE ASK OF YOU

- Promote us honestly — no invented results, earnings claims, or guarantees.
- Use the assets and copy we give you, unchanged.
- No spam, and no bidding on the PodLab name in paid search.
- Keep what you learn about our pricing, clients, and process to yourself.
- Don't approach our clients or leads with competing services — during, and for 12 months after.

HOW YOU GET PAID

Commission clears	45 days after we're paid
Payouts run	Monthly, within 15 days
Minimum payout	\$100
Paid by	Apple Pay, Zelle, Wire Transfer
Tax form needed	W-9 or W-8

The 45-day wait covers the refund window. Once it passes, the money is yours.

WHAT COUNTS AS YOUR SALE

A referral is yours when it comes through **your tracking link**, the client **pays in full**, and the payment isn't refunded or reversed during the hold period.

Send us a name without the link and we may not be able to credit it — so lead with your link every time. Something look wrong on a statement? Tell us within 30 days and we'll sort it out.

THE ONE RULE THAT TRIPS PEOPLE UP

The FTC requires you to say you may earn a commission — every post, every email, every time. One clear line does it: "I may earn a commission if you work with PodLab."

IF YOU WANT OUT

Either of us can end this with **seven days' written notice**, no penalty. You still get paid on every referral that closed before you left, once it clears the hold period.

Questions about a payout, a referral, or the agreement itself — just email info@podlablv.com.
